

Memorandum

Date: July 26, 1999

To: Mary D. Nichols
Secretary for Resources

From: Lester A. Snow
Executive Director

Subject: 1999 CALFED Proposals Recommended for Funding

On July 15, 1999, you approved funding for 12 proposals with a total of \$7,053,245 that were identified and recommended for funding through Proposition 204 funds under the 1999 Proposal Solicitation Process. A copy is attached.

In reviewing the list of 1999 recommended projects, we discovered an error which results in under funding Project 99-E103. The recommended amount for that project should have been \$672,986 which is \$103,000 more than requested in the original memo. This brings the total amount requested for state funding to \$7,156,246. A letter for your signature approving the additional funding is attached.

If you have any questions, please contact Wendy Halverson Martin at (916) 654-5950.
